TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

(L. S.)

To the inhabitants of the Town of Belmont in the County of Belknap, in said State, qualified to vote in Town Affairs.

You are hereby notified to meet at Community Hall in said Belmont on Tuesday the 12th of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To choose one Selectman for three years, Trustee of Trust Funds for three years, and one Trustee of Public Library for three years.
3. To raise such sums of money as may be necessary to defray all expenditures as listed in the Budget and make appropriations for the same.
4. To see if the Town will vote to buy a Fire Truck and raise and appropriate a sum of money for the same.
5. To see if the Town will vote to raise such sums of money as recommended by State for State roads.
6. To see what the Town will vote to do with its Parsonage Fund.
7. To see if the Town will appropriate a sum of money for Laconia Hospital.
8. To see if the Town will vote to allow a dis-

count on all taxes paid on or before July 1st, 1929, and if so, how much.

9. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 22nd day of February in the year of our Lord 1929.

SCHOOL AUDITOR'S REPORT

Belmont, N. H., July 14, 1928.

I have this day examined the accounts of D. W. Gale, Treasurer of the Belmont, N. H. Schools, and find them correctly cast and properly vouched during the year from June 30, 1927 to June 30, 1928 and find the sum of eighty-four dollars and seventy three cents (\$84.73) in his hands.

JOHN P. WILLARD,
Auditor

REPORT OF SCHOOL BOARD

To the Voters of Belmont:

We herewith submit to you some of the problems of our schools. At the beginning of the school year, in September, the school at the Upper Province Road was discontinued and united with the one at the Lower Province Road. This was done not wholly as a financial measure but because we thought it would be for the best interests of the children to be in a larger school with larger classes and we think our prediction was right. Of course the money saving is not large but we think the foundation is laid for a better school district.

The only outstanding repair work done this year was the shingling of the Plummer School. We know of very little to be done the coming year.

The \$500 appropriated last year for the high school enlargement was not used and is carried over as a liability.

The high school was no larger at the beginning of the present year than it was last year, so we continued in the same rooms with some new seats added.

The present enrollment of the high school is 20, five of whom are expected to graduate in June and about the same number will pass up from the eighth grade, so it seems the enrollment has about reached the maximum, for the present at least. In view of this, we would recommend that we continue with the same rooms for a time. Mr. Pringle, Deputy Commissioner of Education, was at the Gale School building a short time ago and his advice was to spend as little money as possible, for a few years, and get the school on to a little firmer footing.

Tuition and transportation to Laconia would cost around \$3,600 per year.

We would recommend a school year long enough to guarantee a minimum of 180 school days.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Belmont:

I herewith submit my fourteenth annual report as superintendent of schools. It is both a duty and an opportunity for which I am grateful. It should be kept in mind that the report, necessarily made in the middle of the school year, has to do in part with the school year which ended June 30, 1928 and the first half of the school year which will not close until June 30, 1929.

You will find statistics covering the last school year printed on another page. I would call your attention also to the financial statement of the school board covering the revenue and expenditures this current fiscal year up to January 30, to the school board's budget or statement of proposed expenditures for the next fiscal year, and to the Honor Roll of perfect attendance. A perfect record of attendance for the year is possible only when a child is blessed

with good health and persistency and is supported by the active interest of the parent. Children who find it possible to make a clean record deserve to be commended and congratulated.

A comparison:

	1926-7	1927-8
No. of Schools	9	9
No. of Teachers	10	10
Total Enrollment	217	240
Boys	106	120
Girls	111	120
Average Membership	194	208

No. Tardinesses	242	235
No. Pupils Perfect in Attendance	10	16
No. visits by Superintendent	185	173

The Belmont High School held its first graduation on the evening of June 7, 1928. The program in which all the members of the school participated, was unique, and was carried through in a creditable manner.

The program follows:

Song	School
Address of Welcome	Louise Page
Typewriting Contest	
French Play	Written by Kenneth Muzzey
Song, "Marseillaise" in French	School
Essay, "Follow the Glean"	Kenneth Muzzey
Award of Cup	
Physiography Project	
Presentation of Diplomas	
	James C. Hill, Member of School Board
Farewell Song	Words by Dorothy Jones
Play	School

Kenneth Franklin Muzzey was the only member of the graduating class. He had an excellent record throughout his high school course.

The following is the list of pupils completing the work of the eighth grade in June and qualifying for admittance to high school:

Gale: Rachel Bryant, Virginia Frazier, Muriel Harris, Lillian Patten, Rosalie Wellman, Alzina Edmunds, Joseph LaFrance.

Ladd Hill: Irene Szalajeski.

Upper Province Road: Jeanette Adams.

Plummer: Leah Levasseur, Thelma Lyman, Maurice Valliere.

Only seven from this group entered high school in September.

There is seldom a year with so few changes in our teaching force. Miss Mary Savolainen, who had taught several years at Ladd Hill, resigned in June. Miss Mella Boron of Holyoke, Mass., a graduate of Keene Normal School, was chosen to fill this vacancy. Miss Boron had substituted for Miss Savolainen during the winter months last year. Miss Boron is doing nicely in a somewhat difficult situation. Miss Gladys Dearborn, who taught grades three and four at the Gale School, accepted a position elsewhere and Miss Lillian Youngquist of Manchester, a graduate of Keene Normal, assumed this position. Miss Youngquist is proving herself a capable teacher.

In my report last year I recommended the combining of the Province Road schools if this could be brought about without causing too great inconvenience to anyone. After careful consideration the school board decided to try out the experiment of transporting the pupils from the Upper Province Road, and this policy was put into effect with the

opening of schools in September. We now have at Lower Province Road a happy and interested school of reasonable size, taught in a very efficient manner by Mrs. Gertrude G. Bartlett. I should recommend that the present arrangement be continued unless there should be a marked change in conditions.

The accompanying table shows the registration in the several schools on February 1, this year and last.

	Feb. 1, 1928	Feb. 1, 1929
Gale, I and II	45	49
Gale, III and IV	39	32
Gale, V and VI	30	39
Gale VII and VIII	21	21
High	20	20
Ladd Hill	17	15
Plummer	17	17
Lower Province	7	15
Upper Province	12	
	<hr/> 208	<hr/> 208

No teacher can do justice to herself nor to the school with an enrollment of 49 in the lower grades. There should be some provision made to relieve this situation. It is significant that the enrollment in grades I and II is more than double that in grades VII and VIII.

The high school has continued under the same efficient corps of teachers as last year. I sometimes wonder if there is a clear understanding of what is being done in this school and how well it is being done. It is reasonably certain that a considerable group of children are having the privileges of a high school training which it would not be possible

for them to receive without this school. The growth in numbers which we anticipated has not been realized, and I see no prospect of any noticeable increase in the immediate future. The school is, of course, cramped for room, but any considerable outlay, either for a new building or an enlargement, may not be feasible at this time. In spite of handicaps we have a very worthwhile school.

Repairs made during the year include the shingling of the Plummer building. This school building ought to be altered so as to give better lighting to the schoolroom and make it more attractive. All the other rural school buildings in the district have been much improved in this particular. Some of the furniture in the Gale building is in very bad shape and should be replaced.

The following table will be found convenient for a comparison of the expenditures proposed by the school board for the next fiscal year with those recommended a year ago:

Teachers' Salaries	\$9,150.00	\$8,692.00
Text-books	350.00	350.00
Scholars' Supplies	275.00	275.00

Deficit	425.00	
	<hr/>	<hr/>
Total	\$15,095.50	\$15,018.00
Appropriation made	\$13,682.00	
Appropriation Asked		\$11,398.97

The Belmont School District continues to receive yearly from the State Equalization Fund a substantial apportionment. This current fiscal year it was \$3,635.81. Next year it will probably be \$3,469.03. A year ago the school board was obliged to ask for a deficiency appropriation. It is expected that this year in place of a deficit there will be a balance of approximately \$1,500.

I am glad to take this opportunity to thank the members of the school board for their helpfulness and cooperation, and the teachers for their loyalty.

Respectfully submitted,

CHANNING T. SANBORN,

Supt. of Schools.
